CIA INTERNAL USE ONLY

25X1 1. [] BAA) Called Audrey Lockett, Appointment
25X1 Secretary to Representative Olin Teague (D., Tex.) and arranged an
appointment for [] and the Congressman for 12:15 p.m.
tomorrow.

25X1 2. [] BAA) Per [] instructions, called 25X1
25X1 [] DIA/OGC and in his absence spoke to his secretary, and
25X1 told her that [] would be pulling together an outline on the joint
committee project and would send [] a copy for his review. 25X1

25X1 3. [] Met with Frank Slatinshek, Chief Counsel,
House Armed Services Committee, following Jack Iams', Comptroller,
budget session with him and briefed him on a CA project; provided him
a paper on Liaison Service and Agent Reactions to Recent Publicity
on the Agency, and a draft of the Director's prepared statement on the
Intelligence Community budget for Friday's briefing of the Intelligence
Subcommittee.

25X1 4. [] LLM) Left for Charles Snodgrass, House
Appropriations Committee staff, a suggested reply to M. L. Brown for
Representative Robert Sikes (D., Fla.).

25X1 5. [] REH) Met with Charles Snodgrass, House
Appropriations Committee staff, on his request to get more familiar
with CIA publications. Snodgrass would like to have some of the OSR
memos, on a loan basis, to be delivered by courier and picked up
by courier the same day. I told Snodgrass arrangements would be made.

25X1 6. [] RJK) Delivered to Scott Fleming, on the
staff of Senator Stuart Symington (D., Mo.), an unclassified Agency
publication entitled "Economic Intelligence Report: Comparison of the

25X1 7. [] FMC) In the absence of [] took 25X1
25X1 a message from [] who called to advise that a contact of
the Agency's at the Pentagon had called him regarding an inquiry their
office had received from Representative Jonathan B. Bingham (D., N. Y.)
on behalf of a constituent, Peter Sheridan. Sheridan was concerned about
the welfare of a Vietnamese friend of his [] who supposedly was 25X1
involved in the Phoenix program and wanted to see if his friend and family
could be evacuated from the country. Mr. [] advised his contact at 25X1
the Pentagon that a cable was sent to the Embassy in Saigon regarding this
and that [] name would be added to the list of evacuees, but that Sheridan
could aid this by sending a telegram to his friend telling him to check in with
the American Embassy in Saigon. [] was advised of the foregoing 25X1

25X1 8. [] DFM) Talked to Coleen Mitchell in the office of
Representative Olin E. Teague (D., Tex.) regarding the inquiry referred to
us from Teague's constituent, John E. Phillips. The inquiry was not complete
enough to do a thorough investigation into Mr. Phillips' charges, but
Ms. Mitchell said a cursory search would be plenty sufficient for their
purposes.

25X1 9. [] RJK) Spoke with Bill Kelder, on the staff of
Representative Don Young (R., Alaska), who requested FBIS Daily Reports
for Asia and Pacific, and also the Soviet Union. FBIS Liaison has been
advised.

25X1 10. [] RJK) Spoke with Rebecca Switzer, on the
staff of Representative Anthony Moffett (D., Conn.), who requested cancel-
lation of the FBIS Daily Reports for East Europe, Soviet Union, Asia and
Pacific, and the People's Republic of China. She said the Congressman
would like to continue receiving the remaining Daily Reports. FBIS Liaison
has been advised.

25X1 11. [] In connection with the call [] IC staff, 25X1
received from Charles Snodgrass, House Appropriations Committee staff,
25X1 [] delivered to Snodgrass the 28 May 1974 transcript, Dept. of
Defense Appropriations for FY 75 Intelligence Hearing, Central Intelligence
Agency.

CIA INTERNAL USE ONLY

25X1 1. [] (FMC) Called Mrs. Ricki Starrels, in the
office of Representative Bill Archer (R., Texas), and confirmed with
her the previous arrangements made for a group of student interns to
25X1 visit the Agency tomorrow, 10 April at 5:00 p.m. Mrs. Starrels said
they were still planning on coming and would be arriving in a white
van. I then called [] secretary, OTR, and gave her the

Office of Security to allow them entrance into the compound and building.

25X1 2. [] (RJK) [] DIA called 25X1
ask for clearances on members of the Subcommittee on Defense, House
Appropriations Committee. I explained to her that Congressman are not
"cleared" but that our Agency has briefed the members of this Subcommittee
at the compartmented level. I told her this information might assist them
but that any decision to brief would, of course, be completely up to DIA.

25X1 3. [] (RJK) Met with John Goldsmith, Senate Armed
Services Committee staff, and received from him a request for clarification
of information relating to two possible American MIAs in Cambodia.

25X1 4. [] (RJK) Delivered a letter from the Director to
the office of Senator Claiborne Pell (D., R.I.).

25X1 5. [] (RJK) Delivered to the offices of Senators

25X1 14. [] LLM) Met with Senator Sam Nunn (D., Ga.) and he agreed to place in the Congressional Record the Director's remarks before the Associated Press in New Orleans on 7 April 1975.

25X1 15. [] LLM) Confirmed with Mildred Ward, Personal Secretary to Senator John C. Stennis (D., Miss.), a session with the Senator at 10:00 a.m., Friday, 11 April to discuss the Agency budget and a very broad picture of the community budget. John Iams, Comptroller, and [] IC staff, will also attend.

25X1 16. [] LLM) Bob Lockhart, Assistant Counsel, House Post Office and Civil Service Committee, on referral from Chairman Richard C. White, Subcommittee on Retirement and Employee Benefits, called to advise that the clean version of H. R. 1674 would have to be introduced by Friday to meet the Chairman's commitment on hearings and that we must get together as soon as possible to review fall back positions as I had discussed with Mr. White yesterday.

25X1 17. [] LLM) John Goldsmith, Senate Armed Services Committee staff, called and asked that someone drop by to discuss a matter involving an MIA case. [] will follow up on this.

25X1 18. [] LLM) Called Jack Maury, DOD, and Frank Slatinshek, Chief Counsel, House Armed Services Committee, to alert them of our intent to release the 14 February 1973 memorandum by Mr. Maury covering his conversation with Chairman Lucien Nedzi (D., Mich.) on allegations which Seymour Hersh had raised circa November 1972, in response to a request from the Presidential Commission. Neither Maury nor Slatinshek had any problem with this but Slatinshek did recommend that we make a copy of any such material released which specifically involved Mr. Nedzi and I said we would do this.

25X1 19. [] LLM) Jim Gehrig, Professional Staff Member, Senate Aeronautical and Space Sciences Committee, called referencing Senator William Proxmire's (D., Wis.) interest in hearing from the Director on his assessment of the Soviet space program and requested a similar briefing for himself. Arrangements are underway.

25X1 9. [] Talked with Guy McConnell, Senate Appropriations Committee staff, and reviewed the topics to be covered in the Director's meeting with the Intelligence Operations Subcommittee next week. I also brought McConnell up-to-date on a number of recent developments including the SEC issue with GMI and Representative John Moss' interest in it and our briefing of Senators John Pastore and Howard Baker on the sensitive project.

25X1 10. [] GLC) Accompanied [] and 25X1
25X1 [] (NRO Comptroller) to separate briefing session with Ed Braswell, Chief Counsel, Senate Armed Services Committee, and Frank Slatinshek, Chief Counsel, House Armed Services Committee, on the intelligence community budget. Braswell made it clear that he did want DOD representatives (with the possible exception of []) to attend the Director's budget briefing of the CIA Subcommittee. Slatinshek was a little less pointed but indicated that they preferred to hear [] separately if at all.

15. 25X1

16. [] RJK) Met briefly with Berniece Kalinowski, secretary to Frank Slatinshek, Chief Counsel, House Armed Services Committee and gave to her a package from [] AD/DCI/IC, containing the 25X1 initial requests from Senator Frank Church's (D., Ida.) Senate Select Committee to Study Government Operations With Respect to Intelligence Activities, for information from the Agency.

25X1

17. [] Met with Miss Murphy, on the staff of Representative William M. Brodhead (D., Mich.), and gave her a copy of the USSR Agriculture Atlas per her request.

25X1

18. [] I received a called from Julie Dutterer in the office of Representative Glenn English (D., Okla.). One of the Congressman's best friends has a close friend who is Vietnamese and has dealt extensively with the U. S. Embassy in Saigon, where she now lives. The Congressman feels that if the Viet Cong overrun Saigon this lady's past associations with Americans make her a sure target. Ms. Dutterer asked if we knew about evacuation plans and if there was anything we could do to arrange for her evacuation should 25X1 that become necessary. After speaking with [] DDO, I informed her in general terms what we knew about plans to evacuate South Vietnamese citizens, but Ms. Dutterer wanted specific information on this lady; Mr. Cary later called her.

25X1

19. [] PLC) Bob Leydenheimer, DOD, called and requested the names of the members of the Senate and House Budget Committees and those who had at one time or another been briefed on 25X1 compartmented matters. After checking with [] I called him back and gave him the information.
